

Alexander Paul Mitchell

February 11, 1998 - August 9, 2016

Alex Mitchell, 18, died peacefully in his parents' arms on August 8, 2016, as his body proved too weak to contain his huge personality any longer. Alex and his brothers, Jared & Evan, their parents, Doug & Jennifer, and the boys' grandmother, Elaine (MawMaw) Nugent, were supported by cousins, aunts, uncles, close family friends and many members of the "Alex Mitchell Fan Club!" Alex's sense of humor, beautiful smile & contagious laughter will be missed by many. Alex was looking forward to being pain-free, reuniting with his great-grandmother (Nanny) up in Heaven & finally being able to stand up and run the bases. A life-long St. Louis Cardinals fan, Alex's enthusiasm for sports converted many people into die-hard Blues fans as well. Whether at home or even in the hospital, Alex's day wasn't complete without a 1st-pitch or puck-drop. His family wants to thank everyone for your prayers, support and for sharing your love and grief with us. It has been a comfort to see how many other people knew Alex was as wonderful, smart & full of life as anyone could be... "Never Judge a Book by Its Cover."

“ This world has lost a strong courageous extremely bright young man. Not even a month ago I entered Alex his hospital room and was greeted by the brightest most comforting smile I've seen in a long time, and so although our world is Demer I am happy you're pain-free running the bases and shining a bright light down on the rest of us. I look forward to one day running the bases with you in Heaven!

Please know that the entire family is being lifted up in my thoughts and prayers during an unimaginable time of grief and yet wonderful wonderful memories of a tremendous young man. ❤️🙏 Please reach out to me if there's anything I can do for you all
