“ Anne and i worked at Arby's many moons ago,she was still in high school,we seriously had fun everyday.Fast foward about 28 years... I had just giving birth to my first son.Ryan and we are standing at the baby window looking at the all the babies,they where so cute and who should be standing next to me--Anne--she has just had Casey. well we stood there a babbled and then i hear Darrell talking to someone behind us and he is talking to Bill-Anne's Hubby- seems that Darrell had grown up with Francis boys.That memory still makes me smile.and will for many years. Loved her and will miss her as everyone will
