“It was so much fun to visit Aunt Audrey and Uncle Brend. They always made each child feel extra special. There was always a cup of tea and love shared as we caught up on events. Such a strong woman to have cared for all that she encountered. She will be missed. Prayers to the family for their loss and yet she is rejoicing with her love ones that have been watching over us all these years.

Sincerest sympathies to Mrs. Flood's family as your Mother / Aunt / Grandmother goes to her heavenly reward. She will be sadly missed, especially by Kathleen & Jimmy, who lovingly cared for her at home. God rest her soul and comfort those she leaves behind.
