“ *Audrey was our dear friend and neighbor. She could garden, cook, sew, dance, pray and love like no one else I have ever known. She will be sorely missed. As daughter Kim, who lives in North Carolina said, "Since I heard the news, I can't stop thinking of her sweet smile". I know she and B.J. are dancing in heaven. Our deepest sympathy and love to all of her family. It was our gift and pleasure to have known her for these many years. Ken and Olga Smith*
