“ Audrey always made the holidays special with her Christmas letters filled with news of her family, things she was doing and interesting tidbits. She never let distance hinder her interest in her extended family. Audrey was a kind and caring individual of which will be fondly remembered and greatly missed. Donna Slusher and sister Hazel

“ Audrey not only taught me how to grow flowers from their seeds, but would share some of her wonderful garden goodies, which was the highlight of the summer living by her & Cecil. I'll always remember her "green" thumb!

“ *My Aunt Audrey was always the sweetest most thoughtful lady. She always thought of others and remember to always send Christmas cards with notes about what was going on in her life. I always thought it was the coolest thing to travel to St Louis to visit her family and go swimming in their big pool and our trip to the Arch and Zoo. It was a long ride on a Grey Hound Bus, but definitely worth it. My children even have the bags of clippings and pictures you made for them. You will be truly missed.*

“ *It's so hard to say goodbye to someone who has been there for you for your entire life. She was such a neat person to talk to wheather she was sharing stories about her childhood or listening to problems I was having in life. She would always give her advice, but you never had to worry about being judged by her. I will miss her so much, but I know that she is off to her vacation in the sky! Now you can go to the beach whenever you want grandma!*
