“ *What a special lady that God has called home. She was such a fighter and she was an inspiration to all who would listen to what she was going through. She will be missed at the library. She and her husband, Ken, have been special people in our lives. God be with all the family.*

Sometimes we can't seem to find the right words to say sometimes. We find ourselves saying nothing at all. But be encouraged today find someone to smile to. Our family can not be there with you but we will smile to heaven today in remembrance of Aunt Barb.
