“ Barb will be missed by many! We grew up together with the loves of our lives. My heart is heavy, I will miss Barb so much! There are so many funny stories we lived through together. But, one that sticks in my head is when Linda (our mother-in-law) would have a project that our husbands would work on, Barb and I knew to plan for the afternoon together. We would give our guys trouble about things taking so long, and sometimes Linda trouble for it taking all afternoon, but we enjoyed hanging out together. Listening to our guys hanging out, we would have dinner together, then come up with some game to play. We would play Rummy (cards) or Rack-O and laugh, visit and make plans for the next weekend we were getting together.

We will miss her so much, she was not just our sister-in-law, she was our friend.
