“ Dear Donna and Bonnie,
You were so faithful with visits to your Dad. I enjoyed your pleasantness and my interaction with you at the Vet Home. Many times Dick and I sat with your Dad & Doc at Bingo and he always greeted us with a smile.
My condolences in your loss.
Sincerely,
Annette Walton

“ Enjoyed meeting and visiting Ben at the MO Vet. Home. He and "Doc", our friend, were close friends, and each enjoyed the others' friendship. Dan and I always enjoyed stopping to talk to him, when he sat by the window, or in the hallway at the Vet. Home
