“ I will always remember your father's smile and how he would beam when Sheri and her sisters were around, and of course, Lizzie, Gulie and Alex. He was so very proud of all of the family. He loved to be involved in all family get-togethers, babysitting, taking care of dogs... Your Dad was a true delight and he will be missed very much, I am certain. You have all of our love and support throughout your very difficult times...please let us know if there is anything we can help you with....
