“ *I remember when I first met Brian. He and I were getting a couple of demerits our first week of school in 1974 at CBC because our brass was not shined. I remember going to concerts ,working on our cars, and going cruising around. We both grew up in Florissant but never met until high school. He had went to Sacred Heart and I went to St. Dismas. We actually lived only a mile apart-he on one side of florissant rd. me on the other. Brian was a "salt of the earth guy" and was fun to hang out with. He will be missed. St. John Baptist de la Salle-pray for us. Live Jesus in our hearts-forever.*
