“ Byron was a friend from our high school daze. Many of those days were spent hanging out at Sno Cap drive-in. And if you remember that then you are also dating yourself. Also the countless parties we all had and went to in those days. So many fond and fun memories. He came to many of our reunions of which I helped with and I was always so happy to see him. He was fun and funny. My heart is breaking for his family and all of our loss. I hadnt seen him for a while as the last time I did see him was a fair in Florissant about two years ago. He was standing on a corner drinking a beer I think in front of one of his favorites bars. I didnt know Sue accept for a couple meetings at our reunions. But I did work hand in hand with his son when he worked for my ex husband some years ago. I am so sad that I didnt hear in time to go pay my last respects. Love and prayers for you Sue and for your family. And love to you Byron, we will miss you always.

“ *Byron was a good friend of mine in high school. He was so much fun and always had me laughing. I saw him at Home Depot about a month ago.....he was calling Karen Hornick...so I knew it had to be someone from high school, at that time he looked very ill so I'm sure he's in a much better place now. My thoughts and prayers go out to his family.*

“ *To the Baker Family,
Byron was truly one of my favorite people. I
am blessed to have been able to know him
and call him a friend. Please know that if you
all need anything, I am always available.
While the physical absence of Byron is almost unbearable, knowing
that he is at peace and no longer in any pain brings some comfort.
My Dad, Tim, got to the eternal place of peace and happiness and I
am sure he has been showing Byron all the ropes.*

*Love Always,

“ *Byron put up a brave and courageous fight to
be with his family for as long as he could.
Now it is his turn for some heavenly R & R.
May Sue and his children be comforted by all
the wonderful memories they made and know
his spirit lives in each one of them. He finally made it home and is at
peace. Love and prayers, Wayne and Sue*

“ God saw you getting tired,
And a cure was not meant to be,
So He put His arms around you
And whispered, "Come to Me".
With tearful eyes we watched you,
As we saw you fade away.
Although we loved you dearly,
We could not make you stay.
A golden heart stopped beating,
hard working hands at rest.
God broke our hearts to prove to us,
He only takes the best.
It's lonesome here without you,
We'll miss you more each day.
Life doesn't seem the same,
since you've gone away.
When days are sad and lonely,
and everything goes wrong.
We seem to hear you whisper,
"Cheer up and carry on."
Each time we see your picture,
You seem to smile and say,
"Don't cry, I'm in God's hands.
We'll meet again someday."

“ *When I met Byron for the first time, he said that I was a dead ringer for Joe Cocker. I never knew if I should take that as a compliment or not! I learned a lot about the North County Counter Culture movement from him, and the role he played in it. I will always think of Byron when I hear any song from The Doors.*

My thoughts and love go out to his entire family.

“ *My favorite memory of Byron has got to be when I met him back in the early 90s and he immediately started singing Jennifer Juniper which I'd never heard of. But after that day, not only did I know about that song, I also got a rock 'n roll schooling like I'd never had before! What a great and unique person.*

All my love to his entire family.
