“ One of my favorite memories on Cecil was out on Paydown Road in the little house, there were always lots of people and food, when it started to get dark everyone magically pulled out a musical instrument and began to pick n sing. Always Hank n Johnny and my favorite was "Crawdad Hole" you get a line and I'll get a pole, honey! I can hear him now. That voice with gravel and that laugh that always made you laugh too! Cecil was a good man with a big heart. His warn memories and contagious laugh lives on. My heart goes out to his family and friends. Sing on Cecil, love ya, Sue
