“ I have know Crystal for many years. Ever since she was a young child. I can remember one summer she went to Branson, Missouri with her grandparents (Helen and Don Winn), her Aunt Donna and Sean and Roberta. We had a great time going to Shows, and one day Her Aunt Donna and I took Crystal and Sean to Silver Dollar City for the Day. We had a great time with the kids. I can remember when Crystal lived with her Aunt Donna and Uncle Joe, she was there for birthdays, holidays and many fun days play with her cousin Sean, Nick and Mike. I was there to take pictures of them all and when she went to a dance at the High School with a friend that took her. I can remember her smile, when she was happy about something. She loved her 3 boys very much and was so very proud of them. She would talk to me about them and what was going on in their life's. I know she will be missed by everyone and she will be looking down on her boys as they grow up. I know she is with her grandmother and other family members in heaven.
