“ Sorry to have seen my brother Dan pass away. I love my brother as he was a dear friend and a brother. We did many things together and I have wonderful memories of the years I spent with him. We worked together at the Horack Dairy on North Jefferson for many years with my brother John and my Dad Leo when we were young and when I came home from the service. Also was our brother John working with us and we were a good team. The dairy prospered under Dan's management and made a good living for us and the rest of our family. I am most certain he will be missed for many years to come. I will miss him for sure as I think I was so fortunate to have a brother like him.
