“ There are some people you meet in life who leave an imprint. Danny was one of those characters! He was a very funny, very kind person. He had a contagious spirit. He was one of the best at slingin' pies at Imos, and I'll truly never forget him. I wish I could be at the service. I will say a prayer and celebrate his life and celebrate the best of what Danny brought to all of his friends and family.

“ Along with the fact that I've known you since Jr. Highschool, we were neighbors as well as good friends. I would jog past your house everyday and if you were outside I'd be lucky enough to have a conversation with you. You made me laugh so hard and always managed to put a smile on my face.

You will be missed Sharpie!! I'll surely miss you bud.

“ The Sharp Special invented on one of many float trips we went on...

You could make anyone laugh with ease and you never had anything bad to say except for Curts cancer.

Lov ya buddy and will miss you!
