“ *Ellie & Family,*

I was deeply saddened to hear of Dave's passing. I shall remember him forever. He and I went to McBride High School, Class of '61, and we would often talk about the Brothers and our times at the school. Those were years filled with fond memories.

Later in life I became a patient of his and we continued banter back and forth about family and politics. Since he resided next to his office he would enter the office via a back door. At times I would be his first patient and I would hide and jump out an scare him. He was not happy with me, but we both laughed. Over time he would cautiously come into the office and look around for me.

After his initial stroke I was honored to help him get to some therapy sessions. We also had a nice lunch out at a restaurant in Florissant after he was up an moving better.

I am sorry for your loss. Your loss is also a loss for all who knew him. He will be missed.

God bless you.

“ *We are saddened by the loss of our good friend David (I called him Dave) and know that he is in good hands with the Lord and enjoying his time with Mr. & Mrs. Crets. They raised a good man... just wished Mr. & Mrs C taught him organizational skills. The boys used to play pool at Dave & Ellie's house, but when he got into collecting police badges and army medals, well let's just say you couldn't see the table anymore.*

*Our thoughts and prays are with Ellie and the Crets Family.
God Bless,
