“ So sorry for the whole Sperry family's loss, Dave was a great man. Went to High School with him and he was always smiling. Still in shock to think that he is gone. Prayers to your whole family, and may you rest in peace Dave.

“ What words can I say that would adequately express what I want to say? You were a word person and always gave other verbage to tell my story better! You were a great manager & teacher and under your tutelage, i learned so much. You had so much to offer others-wit, wisdom, book info, music but most of all....yourself! As i told you my last day at B&N, you were such a good person with so much to offer and make others better. Dave....thank you for making me a better bookseller & person. You will be so missed.

“ *There are many things I will miss about you Dave. Your acerbic wit and humor, vast knowledge of so many subjects, your willingness to help out in anyway you could, but most of all - that you were a really great guy! Those you let in got to see this in so many ways. I am so glad I got to know and work with "the BEST Receiving Manager ever!"*

Miss you much!

“ I worked with Dave as an usher at the Arena, and at Busch Stadium, about 20 years ago, and the last time I saw him was about 2 years ago. We kept in contact through Facebook, and I am really glad we did. He was a great guy, and a fun guy to be around. I will miss him. My prayers are with his family. I hope they help to ease your grief in this difficult time.
