“An old friend sent me the notice of Mrs. Bibko's passing. I never had the pleasure of meeting her, but I was a student of her husband back in the day...back when teachers shared their lives with their students. I remember Mr. B talking about Dale. We all knew his wife was a nurse. He was our teacher for at least two years. Years later after our part in the great urban migration to the suburbs, my dad told me that he had seen Mr. B when daddy umpired some of Dale's ball games. I was always glad to hear.
So, Mr. B., I am sorry to hear of your loss. When your life settles down, please consider contacting me, if you recall me. My email address is skreelie44@gmail.com. A lot of water has passed under the bridge since those days at Ames. I am now a grandmother nine times and have been married 47 years. Both mom and dad have passed and we have few people left in the St. Louis area. But, we will be in St Louis visiting my cousin next month.
I remember the days in your classroom fondly.

“ I am so sorry to hear about the loss of Della. My mom, Addie Bieser and her were best friends and she so cherished the time spent with her. They were such good buddies and there were many family dinners that Duane and her came to Mom's house. My mother would have her over and they would sit and chat for hours. Her friendship to my mother will always be remembered and cherished. She was so special to our family.
Beth and Bill Farmer (Addie Bieser daughter)

“ So sorry to read of Della's passing. The news brought back memories of many years passed. Duane, I remember our teaching time at the old Ames Elementary School in Old North St. Louis (1954-58) and I can still picture you and Della at my hospital bedside when I contacted spinal meningitis. We both left Ames. I went to Normandy and you left to teach at Halls Ferry Elementary School in Florissant. Here our paths crossed again. My two nieces, Dana and Tracy were students there and I did a math workshop for a second grade class there one day. I now live in Ballwin with my oldest son.
