“Denise may you rest in peace, I know that you have always had a lot of love to share, because that's the special kind of person you always have been, you always had that special gift to make everyone laugh, especially Little Donny who always said my Aunt D is so funny, you shall be sorely missed, and have a special place in so many peoples heart, may God Bless Jim, Eric, Loretta and the rest of the family in their time of deep sorrow and loss of a great and wonderful person. “I'm not sure where to begin. I've know Denise for so long. She's a wonderful Mother and Grandma, a loving and caring Wife, a devoted Daughter, a special Aunt, a forever friend, and a very cherished Sister. I cannot begin to share all the memories I have. The river, the sand island, float trips and road trips are just a few of the special memories that I will have forever. Denise was always full of fun and laughs and brought joy and happiness to so many. She will be missed and tears will be shed, but I can't help but laugh out loud when I think of the memories she gave me. Thank you for that Denise. :)
