“ *"I miss you buddy" I can no longer eat Sweettarts without thinking of you. Who will eat the yellow and orange ones? There are so many things to say and so many memories but not sure where to begin. I can't go anywhere without being reminded of you. I MISS YOU. Rest in peace man.*

I am not sure how to write on here. I was a huge friend of Denny. I loved Jacob. I can remember giving Jacob Easter gifts and tiny gifts for Easter. Denny took care of me. He took care of me in a violent relationship. He was the most kind and sweet person, with his beautiful blue eyes. Jacob idolized him and he loved his son. He always worked so hard to give Jacob a good life. Many nights I would come over and hang out and they were playing hockey in the house. Lol. I didn't care. I encouraged it. We all have our faults but Denny was an awesome dad and friend. I'm so sorry I missed this! Love you Denny. I prayed for u and Jacob!!!

“ *Denny and I became friends on accident. He was having car trouble
so I offered to pick him and Jacob up every morning so that he
could get to work and Jacob could get to school. And i took him
home as well. He would always try to buy me gas but i always
refused because he was my friend and thats what friends do. So we
became very close during that time. We talked about everything. He
looked out for me always. And i always looked out for him. Every
morning he would greet me with saying "keeeta" and we would side
hug. Im going miss you buddy! Sleep well my friend.*

“Denny was my best friend. We became close over 2 years ago while working together. He had the biggest heart of any one I've ever known. One thing I will always remember about him was our daily walks and him being chased by the geese!! He held a very special place in my heart and will always be remembered. I miss him very much. God rest your soul buddy.
