“ *Pat and family*

We are so sorry to hear about your loss of Dick. May your memories of him and each other keep him fresh in your mind for years to come. The pictures of the family and when the boys were babies and toddlers were so wonderful. May he rest in God's hands.

“ *Being the oldest in my family, I have a lot of memories of time spent with my Uncle Dick! I remember that he always got me pennants from all of the countries that he visited when he was in the Navy. I will always remember*

the day that he picked me up from kindergarten class and took me out to eat with him!!! I was so proud of him being my Uncle and the fact that he was serving our country. I even remember what his car looked like!!! He and I always had a good laugh about a lot of different things and I would get in trouble from the rest of the family for calling him Uncle Duck!! But, he and I would always laugh so hard at that!!! I will always remember you and love you!!!
