“ Eldon meant the world to me and was the best boss a man could ever have. I had so much fun with him, hunting, joking, eating lunch...We just had breakfast together a few weeks ago for the first time in over 20 years. I can't tell you how much that means to me now. I'm so glad I made that call. We just found out this evening about his passing or we definitely would have been there for you all. Our hearts are with you.##imported-begin##John Tramel##imported-end##

“ Dear Lyn,

I am remembering your dear husband in my prayers. Know that I will try to get to the visitation later today, but I can't guarantee it. BUT, Eldon will be in my prayers.
