“ Karla,
We remember your mother well from growing up together and she was always very kind and happy. Our mothers had been childhood friends who got back together in later years. Your mother was very kind to our mother during her last year. Eleda frequently called to check on our mother. My sister and I really appreciated her care and concern. You've lost a wonderful person but I'm sure you and Bill have many wonderful memories.

“ I remember going to the Hofer household for Y meetings. Mrs. Hofer made us feel welcome and was lot of fun. I realized how intelligent she was when Karla told my mother that her mother said that I was the smart one latching on to Jim Roberts!

The last time I saw Mrs. Hofer was at Helen Roberts' funeral two years ago. We had a chance to catch up. She was still the same vibrant wonderful lady. Karla, if you see this, please email me at prober6@msn.com.

Our prayers are with you.

“Mrs. Hofer was one of the few remaining "original" Roberta Avenue people aside from Mrs. Bidleman and Mrs. Fox. I have fond memories living next door to the Hofer's. Mr. Hofer cooking hamburgers in the summer along with him, my father and Mr. Monahan yelling at speeding teenagers from Mr. Hofer's front porch. Mr. Hofer washing his driveway every time the weather cooperated and he was a great guy behind a less than believable gruff persona. Mrs. Hofer was always the perfect lady with a keen sense of humor. She along with my mother and Mrs. Fox were great friends and personified what you envision as housewives of the 50's and 60's. That era is gone but I will always cherish those memories. Bill Cross
