“ "I also have fond memories of Fay, especially our visiting with him, Doris, Tom & Edith, memories that I treasure even today. Fay always impressed me as being a gentle speaking man; can even recall the sound of his laughter.
The legacy he has left will always remain in our thoughts. Praying God's abundant mercies may be felt by you all and will be praying that He blesses you with His peace.

“ My heart is heavy knowing how much I will miss Fay. He was a very important part to our family over the years in so many ways. He was always such an encouragement to us.

Helped with, letting me visit when I was a child, Bruce's 1st big job, moving, Volleyball, Umpiring, vehicles, having our boys, teaching us so many things, church, canoeing, hosting many family events, sharing so much over the years, this is just a tip of the iceberg he shared with just my family. All the others he has touched over the years is countless. It has been hard to see him slow down but that is part of life. This whole family is very special to our family. Love and prayers to you all!
