“ Martha and family - We are so sorry to hear about the passing of your father. He has left a great legacy with all of you. Even though I grew up with you I never knew your Dad but was thrilled to meet him while you were in Kansas City. He took a great picture of you and me and I will cherish it as I remember who the photographer was. Hugs and prayers are with you and the entire family. Love,
Sheryl Jones

“ *The family of Scotty and Berdie, from St Clair Mo., remember him for doing such a great job getting the families together for the Ackmann family reunions. Mom and Dad mentioned him many times. I myself remember him smiling a lot. You will all be in our prayers.*
