“ My favorite memory with Mr. Cather, and his family, was when we all went to watch the jets take off at Boeing, and had popcorn together. It was one of the neatest experiences I have ever experienced, and I thank George for letting me have that wonderful experience !!! My thoughts and prayers are with the Cather Family ! I love you all, Heather Hartenbach Conder !!!!

Stanley, Just wanted to say how sorry I am for your loss. George and I worked together for many years. He used to deer hunt up at my property with big john and yourself. I was thinking of him and found this obituary. I never realized he had passed on. I know I stopped seeing his truck up at the Mark Twain Lake area the past few years. Now I understand why? What happened? He will be missed
