“ A dear friend and hero. George was a regular that became part of our Old Town Donut Shop Family. He always had a smile on his face and was quick to share one of his latest jokes. Even in his late years George had the bluest eyes that sparkled like those of a young boy. George, thank you for the years of friendship and many thanks for your dedication and service to our country. We are honored to have your photo on the "Wall Of Veterans" at our shop.

Until we meet again,

Your OTD family

“ We're so very, very sorry. May fond memories bring you comfort during this hard time in your life. Look back on all the good memories you were able to have and smile at the fact that you were able to share these before he passed away. When someone is lost, he becomes a memory; and that memory will forever in the heart be treasured. Our hearts and prayers go out to you and your family.
Love,
Linda and Ken

“ *Dad, you meant so much to me. I will never forget our golf outings and how, when I would get a birdie, you always said I must be cheating. I will never forget sharing an apartment with you and how I stuck the melamine dishes in the oven so I didn't have to wash them and you turned the oven on. Needless to say, we were then eating off paperplates! Most of all, I loved meeting you at the boat once a month for a late breakfast and then playing a little video poker. Dad, I will miss you with all my heart. You will never be forgotten.*
