“ Regina, Dennis, Melissa, Michael and Madi--We are all so sorry to hear about Glenna's passing. Take comfort in the fact that she was loved by you all and is now no longer in pain and is with Our Lord. Be extra nice to one another as you struggle through these difficult days ahead and let your friends "pray you through" them. Love, Faith and family

“ *Madilynn could do no wrong in her Great Aunt's eyes...This was her Great Aunts favorite time of year picking pumpkins at the patch and taking her trick or treating while taking millions of pictures of her Madi... We will miss you and Madi won't forget you! We love you! Madi has another Guardian Angel*
