“*Jacqueline was truly a great person. She helped me out a lot when I was going through some things. She will always hold a special place in my heart. I only new Jacqueline for about a year however it feels like I new her much longer. I liked the fact that she liked trying different types of restaurants, and liked the out doors as well. She definitely treated me very good and I will always love her. To the Williams family I would like to say thanks for letting me come over to your home for Thanks Giving 2014. You all have my deepest sympathy and know that I will never forget your daughter.*”

“ *This breaks my heart. Jacqueline was always so full of life. She loved her students and had a passion for seeing them succeed. I know so many of them who will be heartbroken to hear she has passed. Her family is in my thoughts and prayers. Know she was loved in Camden, and she will continue to live in many students' and families' memories forever.*
