“ Jim is going to be greatly missed. He was a good friend and neighbor. Many good times were had on our patio, with all his good stories and jokes. It was very hard to watch him go thru all his suffering and ups and downs. God decided to call him home, and give him peace.

Until we meet again.##imported-begin##Dave and Kathy Luebbers##imported-end##

“ I am honored that I was able to spend the short amount of time with you that I had. The past year you have showed me a true fatherly love that I sincerely appreciate. I will never forget all the kind words and actions that you showed me. You were an amazing man, husband, and father. We had a bond that was special to me. I enjoyed our talks and our walks around the neighborhood. You welcomed me and my children into your heart, and family with open arms. You raised an amazing man. I promise to hold onto Paul tight like you told him to hold onto me. I will fulfill your promise to take care of your "little girl" (Lexi). I will miss you very much, Love Eileen##imported-begin##Eileen##imported-end##

“ Dear dad, your love and support for your family was unsurpassed. I will never forget the many words of wisdom you gave me and I promise to do my best to live the rest of my life by the wonderful example you set for me. Your bravery and humor to the end is a true inspiration. I always respected your love and devotion to mom and your 43 years together were amazing. Who would think that kind of life of love could come out of a blind date. I will love and miss you to the end of my days. I look forward to one day seeing you again.P.S. I look forward to you having a soda for me when I get up there just like after every soccer game.I LOVE YOU DAD!###imported-begin##Paul##imported-end##

“Dad, I just want to tell you how proud I am to be your son. You are an amazing man, husband, father who would do anything for any of us. Although I am not ready to tell you goodbye, I am at peace with you leaving us knowing you are no longer struggling or in pain. You were so important to so many people I'm not sure you even realized it. Thank you for being my dad and showing me what it is meant to have and raise kids, I follow in your footsteps with my own strong love and care for my own children, and Heather's children. I will not let you down, and I will be honored to be half the man that you are. You were a gentleman to mom til the very end, you were the one lying there dying, and yet, the one doing the comforting. I love you so much.##imported-begin##Steve##imported-end##
