“ *Jim was my uncle even though he was only two years older than me. He was always a good friend and full of fun and laughter. It's been many years since we saw each other as I've made my home in California, but I'll always remember Jim with fond memories.*

Goodbye Uncle Jim. Though it has been many years since we last saw one another I do have a lot of good memories of the times when I was young. Always enjoyed your wit and wisdom. Rest in peace. My thoughts and prayers are with the family.

Jim, you and your family, lived one door away from us on Gilmore, the Fosters were in the middle. Hearing of your passing came as a shock to me, because, we bummed around together. I remember the day, in early 50s, that you received a Schwinn bike, then, you gave me a ride on it, yes, good, innocent times. May your soul, and all the souls of the faithfully departed, rest in peace, your old friend, from Walnut Park, Bill Napier

Jim was a great uncle. We were raised together for many years. Though I haven't seen him in a couple of years I thought of him often. We have lost someone dear to our hearts. Loved ya Jim. Your nephew Fred

B,

Jim's family was our neighbor. The Napier kids grew up with him. I ironed all his family clothes for his Mom since she worked at Famous Barr. I was sad to hear of Jim's passing. I will remember him in my prayers. Rest in peace Jim. The oldest child of the Napier, Bernice Wunsch
