“ *TO Brad, Beckie and the Redwine family
I am truly saddened by hearing the news of your father. I remember you sharing some of his stories and collections at work. I lost my step dad on Thursday so I can honestly say that I understand what you going through right now. The scripture says to be absent from the body is to be present with the Lord.*

My my deepest sympathy.

Kimberly Adeyinka, Your Bank of America Dunn Road Team is here for you during this time.

“ *My deepest sympathy to the Redwine family. I worked with Jim when he was Santa at Jamestown mall. I ran into him years later & surprised he still remembered me. He was 1 of my favorite people to work with & was sad when I no longer could work the Santa photos due to getting a fulltime job away from the mall. He always had an energetic personality that I loved, never complained about anything we told him to do or any of the children when they weren't very cooperative. it was just by coincidence that I stumbled on his obituary. I will keep the Redwine family in my thoughts & prayers during this difficult time.*
