“ *I was able to meet Mr. Strain at a couple of parties that Mary and John had at their house. I am good friends with Mary and John, and I know that she is sad right now...but as time goes by she will remember all the great times she had with her dad and will cherish those memories. God has taken him to be with him and he is resting in peace with no pain. One day you will be together again. Our thoughts are with you and your family Mary.... With Love, Chris, Steve and Family*

“ *May the angels speed him to the throne of God's mercy and may the Lord grant him eternal rest. I will offer Mass for him. With my sincere condolences and prayers.
