“ Roger, I am so sorry to hear of the loss of your beloved Jane. I
remember you both so well from high school. You were a match
made in heaven. She was a beautiful, fun-filled, happy soul.. God
bless her and keep your family close.

“ A child couldn't have asked for a better grandmother. She loved
them with every fiber of her being, and fought to protect them from
the troubles of the world. She was tenacious, so much so, that I
called her our little Bantam Rooster. We had long conversations on
the phone through the years and I will always love and miss her. My
heart goes out to Rog and Pat and all who loved her, too.
