“ Dear family of sweet and dear Jane,

I have been the Ombudsman volunteer for Jane for many years. Whenever I visited anywhere at Delmar, I always made a special visit to Jane's room to give her a kiss and talk to her for a while. I loved Jane so much. She was like a mom to me. I saw her name in the paper this morning and immediately burst into tears. She loved her family with every cell in her body, and all of you took such good care of her. I will deeply miss her, but she is safely home in the arms of her Lord and Savior. I grieve with you and will keep all of you in prayer and thought. I pray God's strength and mercy will help you during these weeks and months of mourning your loss. God bless you all. I am so thankful to God for putting Jane in my life for as long as He did. I hope to meet all of you at the visitation.

“ Family of Jane---I just want you to know how we enjoyed knowing your mother. Harold and Bernie worked together at Mac. Harold also joined the Florissant Garden club. We visited them and enjoyed the back yard and spent time with them at Shaws Garden working at the flower shows. Jane and Bernie were wonderful to know. Harold and Marian Meyer Beaufort Mo.
