“ Janet (AKA One of My other Mom's) God blessed me with great childhood memories of all the fun and not so fun times growing up. You were there for me through some really hard times, and I honestly never had the chance to THANK YOU for that as I grew older. I have you to thank for a wonderful daughter, whom I have been friends with for almost 30 years, and 3 other daughter whom I look at as my little sisters. God received an Angel, and I know you will be watching over each and every one of US every day. I will always think of you as I'm having my Pepsi and a cigarette, yes I know they're bad habits, but if anyone knew you, that was you :) Maybe I have you to blame for my FAVORITE morning habits after I have my coffee...haha. I'm sad that you're gone, but happy that you're no longer suffering, God always has a plan and I'm sure you're enjoying your Pepsi and Cigarette in the most beautiful places. RIP and you will never be forgotten. Love you Always, Neil
