“ Jean was my sorority sister at UMSL. She was an independent and vibrant young woman. This photo captures her beauty and warmth. We had great times during our college days. So sad to hear of her passing.

“ *We have so many fond memories of being with our cousins when we were little. We loved Jean as she was always laughing and smiling whenever we saw her. I have to echo my sister's sentiments. Though we haven't seen each other in years, it's heartbreaking that she's passed away so soon.*

Our hearts and prayers go out to Mary, Ann and your families.
