“ I was so sorry to hear about Jennifer. I know that this is a very difficult time to deal with. I pray that the family may find comfort to endure by relying on the strength only God can give(2 Corinthians 1:3,4) In the meantime please know you all are in my thoughts and prayers. May God grant you the comfort he alone can give.

“ I first met Jennifer back in 1992 when she was the president of the now defunct Paddock Forest Community Association. Jennifer was a an excellent leader and volunteer who took her responsibilities seriously. She also had a great personality and will certainly be missed by all who knew her. Had Jennifer's health been better, I would have recruited her as a trustee director because of her many fine qualities.

“ Linda and I always enjoyed the time we had working with Jennifer at Transfiguration in the concession stand or bingo. Jennifer was one of the kindest and caring persons I have ever met, and she was so much fun to work with or be around. She never seemed to complain much no matter how much life threw at her. She will be missed by all who knew her. Her lasting tribute is her family she leaves behind, Mike, Katie, and Sarah. We love you all!
