“I just got to view the picture collection of my Uncle Jerry and his beautiful family. It brought back memories of growing up and our visits to Florissant. Seeing him infrequently in recent years it is good to remember him in pictures with family and in the outdoors. Jerry's health has been in mine and Eileen's prayers over the past year or so. Though our loved ones pass on, our remembrances of them make our world rich, meaningful and loving.

With sympathy,

Jerry's Nephew

“ Mary Ellen -

You and your entire family have our deepest condolences. Even though miles separate your family and ours, you and your family are in our thoughts and prayers. Please take this time to remember the way your father lived his life and celebrate him and his memory. This will make this difficult time a little more bearable. I never had the pleasure to make his acquaintance, but if he was anything like you, he was a TERRIFIC and LOVING person.##imported-begin##Mr. and Mrs. Timothy Kixmiller and Family##imported-end##

“Dad, you were one of the strongest and bravest men that I have ever known. You displayed incredible strength and courage over the last year--even at the very end of your life. You were an inspiration to so many people--especially to your family. Our lives were better because you were in them. Even though you are no longer with us in body, your spirit will live on in all of us. I know that you and Shadow are smiling down on all of us now. You are dearly missed. May God continue to bless you and keep you close to his heart. I love you now and forever.##imported-begin##Ann Marie Mathis##imported-end##
