“*Condolences to the Long family. Our thoughts and prayers go out to your whole family. Psalms 147:3 says Jehovah God, "heals the broken hearted, and binds up their wounds." May God bring you comfort and peace.*

“*I first met John about seven years ago. I was very nervous because it was a "meet the parent" event. My wonderful son was going to marry his beautiful daughter. John immediately put me and my husband at ease. We clicked. He kept us laughing. I was amazed at the story of his life. It was the beginning of a wonderful marriage of two families.*

*Our children got married on a cruise. We were graced with a week of getting to know each other. After that we enjoyed major holidays together. John was full of fun and kind of the "Santa" of the group even after he got skinny. He will leave a huge gap in our life. While our holidays are forever changed, I am sure that everyday in heaven will be brighter with John there. While we won't be able to move into the little shed in Joe and Jen's back yard for retirement, I expect that John will be there when I pass over to show me around in heaven and point out all the most fun spots.*

*He will live on here in our beautiful, kind and very special granddaughter, Sophia Lynn Presson.*

*It seemed like John was always smiling, and trying to make others smile or laugh as well. I remember how he used to kid our great-grandmother about getting her a tatoo - he loved to lovingly aggravate her! John, I've always loved you, you will be missed, but we will see each other again!*
