“ *Steve,*

Was in STL for Norbs 87th this weekend and saw your Dad had passed. My deepest sympathies to you and your family. I remember your Dad as a very kind and gentle man who always had a quiet and tolerant disposition. I suppose tolerant is appropriate considering the state that we were in back in the 70S. Give your Mom a big kiss for me.

Sincerely,

Dear Uncle John,

Thank you Uncle John, for making us laugh whenever we visited. We couldn't wait to go over and see our Uncle John, Aunt Joice and all of our O'Hare family. They were some of the best times we've ever had. What an extraordinary life you lived. We count ourselves very lucky to have known you. Our memories and thoughts of you are, and always will be, very special. Our deepest sympathy and love to all of the O'Hare family. We know, without a doubt, that Uncle John is in loving and caring company. He will continue to be a part of us always. God bless the O'Hare family.

“ Uncle John,
You were truly a one-of-a-kind special person that touched so many lives. I have so many fond memories growing up and spending time at your house playing in the yard and at your house. I will remember you always for how dear and kind you treated my parents over the years and all the trips you made to see my father in the nursing home. You are a wonderful uncle that I will always hold dear in my heart.
My deepest sympathy, thoughts and prayers are with your beautiful wife, loving children, and family. They are all so dear to me and I will keep them in my prayers to get through this difficult time.
We are all going to miss you deeply, but we are at peace knowing you are at rest in your eternal home, the place that by God's grace we will all be some day. You are at rest in our dear Lord's arms with no cares or pain, God bless you!
With love and prayers,
your niece Debbie Kirk

“ Uncle John,
We will miss you so very much! Your kind nature, your wonderful sense of humor and your dedication and love for your family and friends. You were such a special person to us and my Dad and Mom. I also have to say when you and Dad and I went on the Honor Flight to Washington, D.C. It was such an honor for me to have been accompanied by two heroes of WWII, my Dad and Uncle, I will always cherish those memories!
Peace with God
Love,
Toni & C.A.

“ *I remember asking Uncle John what he did when his blood sugar was low. He said, "Don't tell the family but I eat chocolate." I am happy that I had the pleasure of talking on the phone with him recently. I will miss him very much.*
