“ Lisa and family,

We are very sorry to hear of your loss Lisa - our best to you and the girls. We always will remember your dad as "bubble-gum John", as he always had a pocket full of gum for our girls.

Thinking of you all,

Much love,

The Fleming's

“Grandpa I find great comfort knowing that you are in heaven with Grandma and our Father Lord. Knowing that one day I will see you again, with eternal life! I will never forget your whisker rubs, orange sherbert while watching the Lawrence Welk show, and many many tractor rides at the farm. You had one of the best work ethics I had ever seen, and now I know where my love of cutting the grass comes from. I will forever love you and think of you everyday. Until I see you again, Love Janey Waney.
