“ Dad. I know u are not in pain anymore and I take comfort in that. I have lots of good memories of u. One ,that comes to mind. When I was a child,I believe around 5 or 6. U had me step up onto your feet,so i could teach me the waltz and dancing. I asked u if I was going to hurt your feet and in your softest voice. U said no. I remember dancing and listening to Glenn Miller,Artie Shaw,Dorsey Brothers, Andrew Sisters,Ella Fitzgerald and Elvis to name a few.

“ I didn't have the pleasure of knowing John but his daughter Christine and I are good friends. She spoke frequently of you and I have been praying for you. I pray now that you are enjoying the reunion with your wife and I pray for Chris during this time of bereavement.
