“ Some 30 years ago (when I was in high school, I worked at the Sears coffee House at NW Plaza. John was my boss. My two sisters, Mary and Sandy, also worked there. Not that life comes a full circle or anything, but just before his retirement, he was the boss of Sandy's two children, Melissa and Nick, at Mid-Rivers Mall. Small world. My family always like John. Our prayers are with you at this time.###imported-begin###Michele LoGrasso###imported-end##

“ Grief can be so hard, but may your special memories help you to cope. May Almighty God comfort you in this difficult time . I have found comfort in God's word the bible at 2Corinthians 1:3,4 and I hope that when you read it you will also find comfort and peace.###imported-begin###Peg###imported-end##

“ *Mary and Family,*

*Harold and I thought the world of John. He was a very dear and giving person. He was there for me after my surgery when there was noone else to help. I am so thankful he came over to the house the other day and we walked through the yard and talked about our gardens. That is a very treasured memory that I will have forever. He is in God's hands now where he will be free of pain and live life eternal. Mary we will alway be there for you whenever you need us.*

*God Bless you and your family*
