“ Dear Marcia,

Please accept my sympathies for your loss. I was shocked when I saw Karl's name in the obituary. It has been so many years since we worked together, but I remember you and Karl and hope that you remember me.

When things settle down for you, give me a call or an email. Perhaps we could get together for dinner and talk about old times. I still work full time and am the finance director for the City of Eureka. I live in Ballwin. Jim and I split up in the 1980's and I moved back to St. Louis then.

Take care and know that I am thinking of you.

“ I am so sorry to hear of Karl's passing. He and I have worked together for many years at McDonnell and IBM. During that time we shared many fishing 'stories'. I will greatly miss those times. Please accept my condolences.##imported-begin##Charles Collier##imported-end##
