“ *Growing up I remember spending a lot time at uncle Ken and aunt Loretta's house. They taught me a lot about love in a family. He was a very sweet uncle, my dad and his brother loved him very much. I am so glad I got to see him before he entered a beautiful journey. Love ya'all, Denise*

“ My dad was no doubt the most unique person you would ever meet.
He was a great husband, dad, grandpa and great grandpa. He
would do anything in the world for anyone. He will be greatly missed
and was very much loved by all of his family. Like my mom said
"Dad always wanted to fly like a bird", we know he is soaring now
and he will always be in our hearts. We love you dad and may you
rest in peace now. Your daughter Kim (Sissy).
