“ I thank my God for Rich and Lee on this earth! They were darling - so thoughtful and loving and fun! The world was certainly a brighter place with their coupleness always present. I am sure that Lee missed her partner, Rich, greatly these last, few years and I am sure she is happy to be with him and her loving God for all eternity! Bern and Marge (our mom and dad) certainly loved their long-lasting friendship with Rich and Lee. They loved their vacations to Hawaii, singing, drinking, sun-worshiping and eating good Hawaiian foods. Lee, you will be missed and, "Thanks For The Memories"!!!

“ I am so sorry at the loss of your mother. Lee and Rich were wonderful friends. My mother-in-law Louise was especially close to them for many years and always spent time with them when she came in from California.

“ So many memories of Lee and Rich. We've been neighbors for 16 years and we met through Miles. We told them about our trips to Laughlin, NV and how much we enjoyed the area. Well, on one trip while staying at the Flamingo, they showed up and surprised us. What a treat to see them. They were having such a good time. It was sad watching them age, but they lived long happy lives. Rich loved his music. Lee loved playing Bridge. The neighborhood will not be the same without them.

“ I was so blessed to know both Lee and Rich through the most unique tabby cat I have ever had. This cat had many names depending on where he visited. Hobo, (my home), Beggar Vance at another, and in this special relationship with the entire Hollenberg family, his name was, and will always be....Moocher. It made me feel good to hear that Moocher was there to have his own goodbye time snuggled in the bed with Lee.

Lee and Rich brought sunshine and smiles into the life of so many. I am so happy to have been touched by their love of life and their family. Lauren
