“ How can any of us know as well as you children, and Uncle Jim, that she was the force that steered her family into being close, loving, caring people that you are. She is , indeed, there with you in your hearts. And you will hear her voice in your mind as you make tough decisions in you lives. I grieve for you in this awful loss, and I love you all as a small part of this huge Doerr family. Your cousin, Marilyn Doerr Bonano
