“ *Because I don't live in Missouri, I didn't get the change to know Aunt Marilyn really well, but for the times I did visit, she was always warm and fun to be around. I do have a memory though, of my Uncle Jack visiting me in California after he had started to date Marilyn. He told us he was "in love" and he was very happy. I was so happy for his happiness, and that he had found love again. Aunt Marilyn, rest in peace, my heartfelt sorrow goes out to the family, she will be missed and fondly remembered. God Bless. Love, Tina, Pete, Anamarie and Alex Orgera*

“ *Marilyn and I met when she moved to our neighborhood in second grade. We were best friends spending the night at each other's houses. When she had to go to the Ent Dr, I went along every week on the bus down to Grand Ave. What an adventure for young girls. We skipped school together once. We double dated and were in each other's weddings. When I moved to AZ we kept in touch, and when we would come to town, we got together for lunch. When we moved to MS, Marilyn and Julie came to visit us. They had a fashion show at midnight with my Red Hat stuff. We formed a lunch bunch for when we came to town. Sadly she missed our last lunch in Dec. See you in heaven, my friend!* ”

Have many fond memories of Marilyn going back to Woodland Elementary...mostly her incessant sense of humor.

I will miss you my dear friend. There is comfort in knowing that you are no longer suffering and you are surrounded by the ones you love in heaven.
