“ *These pictures bring tears of both sorrow and joy for the wonderful memories and for the tragic loss of our sweet, loveable Mark. As I sit here looking at a photo of his first day in kindergarten, I am finding it hard to believe this is real. You took our love with you forever, Markie, and we are all forever connected by this love. We were blessed for the time we had. All my love to the family. -Paula Bujewski*

My thoughts and prayers are with the family as we all grieve the loss of a very special person. Love always, Aunt Debbie*

“ What a good kid...watched him grow up from a kid into a man. Was always there when I needed a hand either to feed Griz or help me with anything. Loved to razz me and would take a good razzing, just like his father. Both are very dear to me. Will always be in my thoughts and prayers. We lost a good one way too young. God bless and keep you.
